

FOI 2734

27th November 2024**FREEDOM OF INFORMATION ACT 2000 – INFORMATION REQUEST**

All SHSCT funded admissions to Jason Court, Care Home, 375 North Queen Street, Belfast from 2020 until the present day. This information to be anonymized to show only the month and year of admission, as well as the weekly fee agreed. Please also note if the specific fee included any element of enhanced care, and if so, what this was, explicitly.

Response:

	Number of admissions per year				
Care home	2020	2021	2022	2023	2024
Jason Court	0	<5	<5	<5	0

Given the small number of admissions per year, there is a risk of personally identifiable information being released, therefore those years where there were admissions, the return indicates the number of admissions per year rather than per month, and it provides a less than (<) metric.

Please be advised that the weekly fee charged to the SHSCT is between £1931.60 - £2903.88 per week (Weekly rate is based on assessed need).

The Trust has a legal duty to protect patient confidentiality and, in line with this duty, the figure <5 has been provided where figures are very low. This is because of the potential risk of identification of an individual. In reaching this decision the Trust has taken into account the small geographical area which the Trust serves and the sensitivity of the information requested. In addition the Trust has taken into account the fact that all information disclosed in response to an FOI is disclosed to the 'world at large' and is published on the Trust website.

S 40 (2) (third party information) of the Freedom of Information Act 2000 has been applied to exempt the redacted information from disclosure. The Trust does not consider the disclosure of the redacted information to be fair to the individuals concerned as there is the potential risk of identification of an individual(s) which they would not expect, and which would therefore breach the fairness element of the first principle of the Data Protection Act 2018.
