FREEDOM OF INFORMATION ACT 2000 – INFORMATION REQUEST

Question 1: How many funded and non-funded CT Radiographer posts are in Craigavon Area Hospital including bandings?

Response: The total funded staffing level for Craigavon Area Hospital is 68.43 WTE. The paid whole time equivalent staffing level for Craigavon Area Hospital is 75.45 WTE. This includes Band 5 to Band 8A. As financial cost centres are multifunctional in nature it isn't possible to break the funding/staff in post down to specific modalities.

Question 2: How many funded and non-funded General Radiographer's posts are in Craigavon Area Hospital including bandings?

Response: Please see above response

Question 3: Are Craigavon Radiographer funded CT posts funded to include covering sessions in general radiography or only CT?

Response: Cover of the general radiography department may be necessary in line with competency and service demand requirements.

Question 4: How many funded WTE Craigavon CT posts are there to cover sessions on other sites in Southern Trust?

Response: Nil – it is a requirement within SHSCT contracts that cross site working may be necessary.

Question 5: How many funded and non-funded CT Radiographer posts are in Daisy Hill Hospital including bandings?

Response: The total funded staffing level for Daisy Hill Hospital is 25.50 WTE. The paid whole time equivalent staffing level for Daisy Hill Hospital is 32.90 WTE. This includes Band 5 to Band 8A. As financial cost centres are multifunctional in nature it isn't possible to break the funding/staff in post down to specific modalities.

Question 6: How many funded and non-funded General Radiographer's posts are in Daisy Hill Hospital including bandings?

Response: Please see above response

Question 7: Are Daisy Hill Radiographer funded CT posts funded to include covering sessions in general radiography or only CT?

Response: Cover of the general radiography department may be necessary in line with competency and service demand requirements.

Question 8: How many funded WTE Daisy Hill CT posts are there to cover sessions on other sites in Southern Trust?

Response: Nil – it is a requirement within SHSCT contracts that cross site working may be necessary.

Question 9: How many funded and non-funded CT Radiographer posts are in South Tyrone Hospital including bandings?

Response: The total funded staffing level for South Tyrone Hospital is 10.76 WTE. The paid whole time equivalent staffing level for South Tyrone Hospital is 12.55 WTE. This includes Band 5 to Band 8A. As financial cost centres are multifunctional in nature it isn't possible to break the funding/staff in post down to specific modalities.

Question 10: How many funded and non-funded General Radiographer's posts are in South Tyrone Hospital including bandings?

Response: Please see above response

Question 11: Are South Tyrone Radiographer funded CT posts funded to include weekly cover in general radiography or only CT? Cover of the general radiography department may be necessary in line with competency and service demand requirements.

How many funded WTE South Tyrone CT posts are there to cover sessions on other sites in Southern Trust?

Response: Nil – it is a requirement within SHSCT contracts that cross site working may be necessary.
