

## **The Southern Area Protect Life Community and Voluntary Forum**

### **Aim of the Forum**

To give voice to the community and influence all matters relating to ***Protect Life 2 Strategy*** within the Southern Trust area.

### **Objectives of the Forum**

1. To work cooperatively together to reduce the incidence of suicide and self harm in the Southern Trust area.
2. To create better awareness throughout the community of models of good working practice and support regarding the implementation of the ***Protect Life 2 Strategy***.
3. To lobby at local and regional level for appropriate services funded responsive to the needs of local people within the Southern Area Trust.
4. To raise public awareness and combat stigma to encourage early help seeking behaviours

If you would like to become a member of the Forum or would like further information please contact Colin Loughran C&V Forum Chairperson by emailing:
